to benefit

**CONCERNED
CITIZENS**
FOR COMMUNITY HEALTH

Friday, February 22 from 11:30 am - 1:30 pm

We'll have hamburgers & bratwurst for a small donation, and the Scottsdale Fire Fighters Association will have a fire truck on display.

All proceeds will benefit the Concerned Citizens for Community Health 'Healthy Packs' program, providing food for children who are experiencing weekend hunger. **See a list of the most needed items on the next page.**
